LEWISHAM COMMUNITY TOILETS

Have you ever had difficulty finding a toilet to use in Lewisham? Thanks to the new Lewisham Community Toilets scheme there will be more clean, safe and accessible toilets that are open to the public, at no cost, during normal office opening hours.

Members of Lewisham Community Toilets scheme include local businesses, cafés, community centres and libraries whose toilet facilities are available for you to use. Some offer wheelchair access and baby changing facilities. This new scheme has been set up by Lewisham Local, who encourage individuals, businesses and organisations to give their time, skills and money towards local good causes.

How do I find my nearest community toilet?

Please see a list of facilities inside this booklet and visit our website below which includes an interactive map and search facility.

Community Toilets can also be found online at GreatBritishPublicToiletMap.com and on a free app: Flush Toilet Finder. Members of Lewisham Community Toilets scheme will display window stickers in a clearly visible place. Information about Lewisham Community Toilets scheme will also be available in libraries, doctors' surgeries, health centres and community centres

Won't I need to buy something to use a community toilet that is in a shop?

No, you don't need to make a purchase from any member of the Lewisham Community Toilets scheme to use their toilet facilities.

Who can I ask if I have a question about the Lewisham Community Toilet scheme?

Please email us on the address below if you have any questions about the scheme.

How can I join the Lewisham Community Toilet scheme?

Signing up is easy. Please visit our website or email us on the address below.
